

SUGGESTED GUIDELINES FOR RACEWAYS

ATTENDANCE DURING STAGES OF REOPENING FOR RACEWAYS

May 22 - June 13

- Competitors, teams/crews, officials, and staff only on the grounds
- No spectators; grandstands closed
- Pit passes for competitors and crew only; no spectator pit passes allowed
- Strict social distancing and mitigation measures in place for participants, crew, and officials

Projected June 14 - July 3

- Spectators limited to 50% capacity
- Track officials should identify alternating rows, sections, and/or areas for race-viewing purposes
- Strict social distancing and mitigation measures in place

July 4 and Beyond

- Spectators allowed at full capacity
- Social distancing and mitigation measures should continue

PARTICIPANTS, CREW, AND TRACK OFFICIALS

- Check local public health orders and work with local officials to plan events
- Stay home if you are ill, have a fever, or otherwise display symptoms of COVID-19
- Individuals who are over 65 or otherwise part of a population with vulnerabilities to COVID-19 should not attend
- Implement a process to check for COVID-19 symptoms on-site or require completion of self-assessment before arrival
- Face coverings are required at all times
- Clean and disinfect high-touch items and areas regularly (e.g. tools, equipment, and other items)
- Provide adequate space between workspaces for race teams to the extent possible
- Limit team attendance only to essential personnel
- Stay in garages, the infield, or other designated areas, not the track. Interaction with other attendees should be limited
- Practice good hygiene and wash hands regularly
- Practice social distancing and minimize contact with others
- Travel and attend only with individuals with whom you have regular contact
- Restrict hours the track is open, whenever possible
- Provide hand sanitizer or sanitation stations, where possible
- When spectators are allowed, sell tickets online or through other contactless means and implement other policies to reduce wait times and congregating prior to entry

SUGGESTED GUIDELINES FOR RACEWAYS

ATTENDEES

- Attendees are required to stay home if they are sick, have a fever, or otherwise display symptoms of COVID-19
 - Tracks should display signage stating this and other COVID-19 policies at entrances and in high-visibility areas
- Individuals should stay home if they are over 65 or otherwise part of a population with vulnerabilities to COVID-19
 - Tracks should display signage stating this and other COVID-19 policies at entrances and in high-visibility areas
- Practice good hygiene and regularly wash hands throughout the event
- Practice social distancing and minimize contact with others
- Wear cloth face coverings while in attendance
- Use card or no-touch transactions, when possible
- Attendees should only sit near individuals with whom they are in regular contact, leaving at least 6 feet between other parties

MANDATORY FOR SPACES

- Clean high-touch areas and seating prior to arrival of attendees
- Clean high-touch areas regularly during the event (e.g. ticket stand desks, and concession stand areas)
- Post signage to advise employees and guests of policies for social distancing and other COVID-19 policies
- Identify alternating rows and/or sections for seating use to limit large groups of people
