

Indiana State Festivals Association– COVID-19 Plans
4.24.20

- Festivals, fairs and events that range from attendance of 250 to over 1,000,000.
- More than 200 of the 600 members have now cancelled their 2020 festivals, fairs and events. Not much choice has been granted to these as their dates were during the stay at home order OR their dates are in the near future and planning must take place. Others have cancelled as their funding has been pulled or sponsorships have evaporated. The balance await the results of a “can gather” before they proceed.
- Many June and July festivals are awaiting word from the Governor before making final decisions.
- Some members in September are cancelling already.
